

Spirit Hound White Dog Moonshine

45%

All local Colorado malt, with a little peat-smoked malt. Unaged. No smoke on the nose; fresh, a bit feinty, wet and juicy melon, a hint of cardamom. Smoke is there as it hits the tongue, immediate but gentle. Spirit tastes much cleaner than it smells. Hot on the tongue, prickly. More melon and spice on the finish, a bit creamy. Not a bad white, but quite pricey. Price is per 375 ml.
