

Forty Creek Heart of Gold

43%

Each fall, whisky lovers in Canada and Texas anticipate John Hall's new limited edition whisky. This year's sits squarely in the golden heart of classic Canadian rye. Tingling gingery pepper is bathed in ultra-creamy butterscotch, woody maple syrup, black tea, and barley sugar. Prune juice and ripe dark fruits dissolve into dried apricots and zesty hints of citrus. Then floral rye notes turn dusty, with gentle wisps of willow smoke. Complex, full-bodied, and slowly evolving, so let it breathe. C\$70
