

Toronto Distillery
Ontario Organic Wheat
50%

Dry grain fills the air on first pour.

This clear unaged whisky just gushes feed mill aromas. The all-wheat spirit is distilled from grain grown in a single Ontario field, then coarse-milled for making whisky. Sweet, creamy, and oh so peppery hot, it fades from citrus fruit and bitter black licorice to absolute nothingness. Our forefathers drank new make whisky. Let's hope it was as tasty as this one.
