

Rich & Rare

40%

Very sweet butterscotch, sultanas, and smatterings of oak play off lime juice, sweet and sour sauce, and pulling citrus pith in a spirity but quintessentially smooth whisky. Creamy caramel shows hints of fudge that softens the crispness of freshly split red cedar shakes. Simple and tightly integrated. A sintering peppery heat quickly dominates the palate even as overripe fruits emerge in a finish that moves single-mindedly into a classic citric zest. A frisky mixer that is well worth sipping.
