

Teeling Small Batch Grain Whiskey

46%

The Teelings were responsible for giving us the quite wonderful Greenore, which moved up the gears until it hit stunning at 15 years old. This, I suspect, is back to the start and is a work in progress. But it has all the right parts even if it isn't firing quite yet. Its nose is industrial and a tad sappy, but the taste makes up for it: sweet, light, with smoky ashtrays and almond pulp.
