

## Talisker 1985

56.1%

This 27 year old Talisker has been aged in refill American oak casks, and the nose offers brine, wood smoke, wet tarry rope, slightly medicinal, with the emergence of milk chocolate. Big-bodied, with lots of peat accompanied by chili and smoked bacon, with sweeter notes of malt, fudge, and apple. A hint of fabric Elastoplast. Long in the finish, with rock pools, bonfire ash, and sweet, tingling spice notes which carry to the very end. A powerful beast, even by Talisker standards. (3,000 bottles).

—Vol. 23, #1
