

Glenglassaugh 40 year old

42.5%

Glenglassaugh has altered its policy of offering single cask expressions of its 40 year old, and replaced these with a vatting of casks to provide an ongoing release program, offered at cask strength and without chill filtration. The nose is pleasingly complex, with ginger, honey, milk chocolate, icing sugar, sherry, plums, and new leather. Resinous on the palate, with pineapple and brittle toffee, then black coffee and aniseed. A spicy oakiness ultimately develops. Drying steadily in the finish, with licorice and oak tannins. £1,200

—Vol. 23, #1
