

Glen Garioch Vintage 

1999
56.3%

This limited edition release of Glen Garioch is the first from the Aberdeenshire distillery to have been matured entirely in *oloroso* sherry casks. Just 1,000 cases of the 14 year old expression are available globally. Old leather, slightly earthy, sultanas, white pepper, and a hint of lemon pith on the nose. The palate is big and bold, with more pepper, plus cinnamon caramel, orange, and abundant sherry. Enduring spice, licorice, and slightly smoky raisins in the finish.
