

Pentland Skerries

46%,

Maturation of the Pentland Skerries bottling of the Lighthouse Collection has taken place exclusively in former Spanish sherry casks, which lends the nose rich, dark sherry and Christmas cake notes, caramel and old leather, along with the distillery's characteristic saltiness, which here comes across as salted peanuts. Full-bodied and slick in the mouth, overt sherry, sultanas, figs, spice, and contrasting brine. Mild maritime notes and autumn fruits combine with prunes and sherry in an accomplished, after-dinner finish. £55/liter

—Vol. 23, #1
