

Auchentoshan Silveroak 1990

50.9%

This is the second batch of Silveroak 1990 from Auchentoshan, and it has benefited from an extra year of maturation in bourbon and *oloroso* sherry casks. The 22 year old is exclusive to Travel Retail outlets. Notably floral on the nose, with fudge, banana, ginger, and attractive oak. On the palate it delivers vanilla, apricots, apples, more ginger, and oak. The finish is long and spicy, with dark coffee notes and a hint of menthol. Greater complexity than its predecessor.
