

**Abraham Bowman Port
Finished Bourbon 12
year old
50%**

Quite lush—the port influence is clearly obvious and adds a degree of opulence to this bourbon. Notes of ripe cherry dipped in caramel, then light molasses, blend in with more traditional bourbon notes of vanilla and spice. A pleasant diversion from the bourbon norm, and ideal for postprandial consumption. (It begs for a fine cigar, for those inclined.)

—Vol. 23, #1
