

Buffalo Trace Experimental Collection Standard Stave Drying Time

45%

Well-defined flavors and clean on the palate. Wood is the driving influence here, showing plenty of dried spice throughout with a dry, resinous finish. The spice notes are accompanied by a layer of caramel, dried spice (vanilla, cinnamon, nutmeg), and subtle orchard fruits. The dry oak notes overstay their welcome for balance. Otherwise, it's a very pleasant whiskey. Price per 375
