

**Michter's US*1
Unblended American
Whiskey (2013 Release)
41.7%**

Off-market for two years. Nose of caramel, sugar wafers, and a touch of just-ripe nectarine. Sweet/smooth in the mouth, with sweet mint, rock candy, and gliding King syrup flavors slipping all over the tongue, while oak notes provide high spiciness. Finishes with a lingering light sweetness, like a dissolving sugar flake. With all the sweetness, though, it doesn't cloy. Nice, if not complex.

—Vol. 23, #1
