

Midnight Moon

40%

Unaged, triple distilled spirit, produced and bottled at Piedmont Distillers in North Carolina. Clean nose with hints of unripe honeydew, bond paper, and wet crushed chalk. Very soft on the palate, clean, with no burn at all. Slippery-smooth, a tiny bit sweet. Tastes like good vodka, really; not much grain here at all. Easy to drink, but...where's the excitement?

—Vol. 23, #1
