

**Exclusive Blend 1991**   
**21 year old**

**46%**

From whisky connoisseur David Stirk's Exclusive Malts Single Cask Cask Strength range, this is a blend made with 80% malt, and it shows. This is a beauty. It's also a 'traffic light' whisky, with the sort of whisky *rancio* associated with the oldest whiskies up front, peaches and cream and pureed fruit in the center, and changing to oaky spiciness late on. Whisky with body, depth, and balance, which morph seamlessly. Very good indeed.
