

Brenne Estate Cask 
(Cask #258)

40%

Brenne is from the Cognac region of France and is becoming an American success story, having been launched stateside by Allison Patel, but little known elsewhere.

After 6 years in French oak, 2 years in a Cognac barrel, and reduced by the local water to 40%, the result is a delicate, almost floral, eucalyptus and rosewater delight, with honeycomb and sweet spice. Very different from a standard malt, but very good all the same.

—Vol. 23, #1
