

Cragganmore Triple Matured Edition

48%

Bottled for Friends of the Classic Malts (which means most of you), this is Cragganmore in early autumnal guise. Dry leaves underfoot, ripe black fruits on the bushes, waxed jacket, chestnut, and a whiff of cedary smoke, opening into dried peach. The palate is thickly textured, with those fruits, dark chocolate, and pomegranate molasses. The immensely long finish gives you light pepper, smoke, and blackberry jam. Cragganmore at its very best, and at a great price. £80
