

Benromach 24 year old

58.6%

This whisky combines the finer qualities of both the 18 year old and the 25 year old. It expresses the balance and purity of the 18 year old, while showing maturity found in the 25 year old. The lack of chill-filtering enhances the whisky's vibrancy and, like all the Benromachs, it's mouth-coatingly thick and malty.
