

**Springbank 21 year old
2014 release**

46%

The latest limited release of 21 year old Springbank has been matured in a mix of bourbon and sherry casks. Sherry and bourbon notes are well integrated on the early nose, which follows up with succulent tropical fruits, toffee, and a whiff of earthy peat. The palate is complex, confident, and oily, with dry sherry notes, almonds, figs, vanilla, wood smoke, and a hint of the sea. The lengthy finish boasts caramel, cinnamon, brine, and soft peat. £182
