

**Springbank 12 year old
Cask Strength 2014
release**

52.3%

This is the seventh batch of 12 year old cask strength Springbank to appear, being bottled early in 2014. Some of the component whisky was matured in *oloroso* sherry casks. The nose blends maritime notes with Christmas cake fruits, vanilla pods, and overt sherry. Viscous in the mouth, with cowsheds and soft peat smoke, plus spice, caramel, and a hint of sweet sherry. The no-holds-barred finish presents a big blast of smoke, root ginger, and freshly-dug peat. £45
