

Talisker Triple Matured Edition

48%

This no age statement Talisker is one of the first “triple matured” (so-named) whiskies exclusive to Friends of The Classic Malts.

Successive periods of aging occurred in refill casks, charred American oak hogsheads, and European oak refill casks. Ozone, fresh asphalt, dried fruits, and old leather on the nose. A big pepper hit in the mouth, backed by earthy peat, Elastoplast, vanilla, and citrus fruits. The pepper lasts right to the end in the long, steadily-drying, charcoal-fueled finish. £80
