

Royal Lochnagar Triple Matured Edition

48%

Diageo is releasing five triple matured single malts, all exclusive to Friends of the Classic Malts and without age statements. Initial maturation was in refill casks, followed by a period in charred American oak hogsheads, and finally European oak refill casks. Sweet on the nose, with heather honey and gingerbread; slightly herbal. Resinous and waxy. Cloves, cinnamon, oak, and black pepper notes on the buttery palate. Medium length in the finish, with lingering cloves and freshly-sawn oak. £80
