

**Edradour 1999 Natural Cask Strength cask**

**#295**

**58.4%**

Distilled on June 20, 1999 and bottled in November 2013, this expression from the Perthshire distillery of Edradour was matured for 14 years in a sherry butt. The outturn was 687 bottles. The nose is notably sweet, with jammy aromas —strawberry and raspberry— while hazelnuts and walnuts lurk in the background. The same fruit and nut notes from the nose carry over, along with sultanas, candied peel, Jaffa orange, and spicy leather. The lengthy finish is viscous and gingery. £70
