

Glen Deveron 30 year old

40%

Initially, the nose is very different than that of the younger Glen Deverons, with brown paper and malt vinegar. Becoming buttery, with coconut ice and citrus fruit.

Ultimately, a caramel note reminiscent of the 16 year old (see below). Rich and waxy on the palate, with dark berry fruits, almonds, vanilla, and treacle.

Sweet and sour. The medium-length finish offers green berries and a hint of aniseed. Real depth of flavor and individuality here.

Exclusively available to travelers at World Duty Free Group stores in selected airports throughout the UK and Spain. £250/700 ml
