

Glen Deveron 20 year old

40%

The nose is more reticent than that of its younger sibling, with less spice and succulent fruitiness. A hint of nougat, but overall, drier and 'quieter.' The palate is silky, with walnuts and allspice, while fruit notes are provided by plums. Following the overall theme here, the finish is also drier than that of the 16 year old variant, featuring a sprinkling of spicy cocoa powder.

Relatively lengthy. Exclusively available to travelers at World Duty Free Group stores in selected airports throughout the UK and Spain. £90/liter

—Vol. 23, #2
