

**Tweeddale Single
Lowland Malt 14 year
old
46%**

This unspecified single malt has been bottled non-chill filtered in single cask format. Maturation took place in a barrel that formerly contained Islay single malt. Initially earthy on the nose, with potato skins, salt, and white pepper. Time in the glass teases out fruity, caramel sweetness. The palate is very sweet and zesty, with orange sherbet, along with a nicely integrated maritime note which becomes more pronounced. The finish is spicy and mildly medicinal. £50

—Vol. 23, #2
