

The John Walker

40%

The pinnacle of the current Johnnie Walker range, this is a rare, inimitable blend of just nine whiskies. It exudes the aromas of ripe bananitos, whole mango, satsuma, vanilla seeds, barley awns, butter biscuits, and crystallized pineapple. The supple grain sustains indulgent, characterful malts creating a weighty, smooth mouthfeel. I'm smitten by the vanilla creaminess, burgeoning deep fruit layers, how it swells with a satisfying snuffbox smokiness. A beautifully styled blend delivering a captivating, sensuous experience.
