

Grand Macnish 12 year old

40%

With a bottle shape that makes you want to go bowling, this blend has admirable balance between the fruit and the smoke on the nose. The bonfire smoke is matched with aromas of tarte tartin, pecan nut, red apple, and sultana. Smooth and molten in the mouth, it has more weight and body than its older brother. There is citrus, apples, and the late arrival of baked spices, cookie dough, and mint chocolate on the finish.
