

Tweeddale 14 year old 
Batch 4

46%

This batch of 1,420 bottles was created with slightly older malts, a 16 year old grain from a refill hogshead and a 14 year old Lowland malt disgorged from an Islay cask. Sugar mice, dried hay, sharpened pencils, hints of lemon, with subtle smoke like the burning of a distant stubble field. Sweet cereal notes, black pepper, and ginger parkin build to a conclusion of Brazil nut, mocha, and chocolate ganache. *(UK & Netherlands only) £45*
