

Johnnie Walker

Odyssey

40%

Jim Beveridge delivered these aromas of toffee apple, peach, and rich berry fruits by working with European oak casks. The smoke is timid, with hints of background salinity. The finely structured mouthfeel is where this triple malt whisky truly shines: the polished smoothness is exceptional. The flavor journey begins with honey, citrus, and swirling melted chocolate, building to a fire of squeezed orange oils, dry fruits, and pecan nuttiness before concluding with rich espresso, dark caramels, and plain chocolate. Immaculate.
