

**The Famous Grouse 40 year old** 

**47.3%**

Legendary master blender John Ramsay handpicked the casks for this whisky, and the job was completed by his successor, Gordon Motion. Puffy marshmallows, nougat, fallen orchard fruit, green cardamom, and clove; it's like all the threads pull together harmoniously. A lucid concentration of fruit mingles on the tongue, preceding flavor advancement through spearmint, menthol, light peat smoke, and burning orange oils. Sit back as it heads toward a spicy tingle of ginger, apple, and scorched coriander seed. Deservedly famous. £2,000
