Strength Collection
(distilled at Cambus) 22
year old 1991**

53.8%

The closed grain distillery niche is small, but Cambus rightly has its followers. The latest in a series of sequential cask releases from Signatory, this refill butt signals a grassy nose of green hay bales, tangerine, potting compost, white pepper, and almond-studded nougat. To drink, it's like joyously biting into a tangerine marshmallow, to be rewarded with thick cloudy puffs of flavor with a peppery accompaniment. Dabble with the water to reveal the delights of orange creamsicle pie. £65
