

**WhistlePig The Boss  
Hog 12 year old Single  
Barrel**

**67%**

Brighter, bigger, and cleaner than its 10 year old stablemate (sty mate?), The Boss Hog squeals delightedly with spring flowers, fall fruit stands, heavy spicy cloves, and delicate esters. The alcohol tickles your nose but is soft on the palate, where fresh-baked rye bread mingles with dusty rye flour and Werther's caramels. Fruity currents rise over sweet hot chocolate before the sweet spiciness returns for a long, slow fade. Great cask-strength whiskey with no need for water.

—Vol. 23, #2
