|   | 50.65%<br>Beautifully boxed for gift giving, a<br>quality that carries over into the<br>whiskey itself. Fresh-cut red cedar<br>unfolds into hard candy, green<br>apples, nail polish, rye bread, and<br>ripe black cherries on the nose.<br>Vague cedar on the palate<br>becomes fruity and floral, then hot<br>and spicy. Distant licorice root is |   |
|   | restrained by German rye bread.<br>Earthy but not dusty, with a sweet,<br>hot, effervescent spiciness. Fades<br>in a long, tingling finish. Complex<br>and expressive: rich yet ethereal.   |   |
