

Ranger Creek .44 Rye 

47%

A new Small Caliber Series bottling, distilled from 100% rye.

Nose gives rye dough, mint candies, and a push of rye oil and crushed grass. Punchy and perky on the tongue, hot and spicy young rye character with black pepper and bitter rye slicing through a sweet body; quite dynamic. Ranger Creek makes exciting whiskeys, for sure, and this one shows an increasing talent for balance. Price is per 375
