

Crown Royal XO

40%

A rich luxurious whisky finished in cognac casks, as was the crisper, brighter Cask No. 16 that it replaces. This is the cedary, leathery, tobacco-ish sipping whisky of the private club. Simple toffee and the cherry essence of *Beaujolais nouveau* evolve into ripe red apples and heavy, dusky, dark fruit with candied citrus peel, bitter almond skins, and hints of oak. Sizzling gingery spice and white pepper linger over textured sandalwood. Defined by its heavy, creamy body.
