

Ontario Wheat Batch 2 
50%

This is the latest in an ongoing series of organic, single-field white whiskies from Toronto distillery. In 2013, summer rains imbued Ontario spring wheat with softer, nuttier, and more complex flavors than 2012. These show here on the nose as lemon oil, fragrant spring violets, and newly harvested grain. A sweet, spicy palate is alive with real lemons, yellow plums, fresh straw, and sweet, lingering white pepper. Mouth coating and big. (*Ontario only*) C\$40/375 ml.
