**Matured Cask Strength**  
**60%**

First of two bottlings. The Old Hobart distillery used 100-liter sherry French oak quarter casks to create this beauty. Hediard fruit jellies (blackcurrant, quince, and mango), nutmeg, cassia, hot sand, and caramelized biscuits. The sherry gives a willowy soft opener, with tobacco, bitter plums, and Earl Grey tea bleeding out to dark toffees, espresso, and a Flemish biscuit note. Water produces a cappuccino finish. For the alcohol content, the pair are similarly priced, but this one offers greater rewards. £189
