|   | Cask #2702<br>62.8%  |   |
|   | The first of three Iron Dram single  |   |
|   | cask Amrut whiskies released for the European market. The <i>Pedro</i>     |   |
|   | Ximénez cask certainly has the   |   |
|   | upper hand here. Black cherry,<br>dried cranberry, blueberry, and          |   |
|   | mixed peel mingle with apple<br>peelings, baked pear, thick-               |   |
|   | skinned sultanas, and chocolate  |   |
|   | frosting. Tart piquancy to the fore<br>on the palate, but it melts to show |   |
|   | glacé cherry, baked apples, pear,<br>and ground almonds. Water brings      |   |
|   | the childhood sweetness of old-  |   |
|   | fashioned Kola Kubes. Oodles of<br>character. £77                          |   |
