

Telsington Black Edition 5 year old

43.5%

The historic Telsler distillery has been producing spirits for generations. Their pride and joy: a triple distilled whisky produced in two wood-fired stills before being matured wholly in French oak *barriques* that previously contained Pinot Noir. There are overripe melons, powdery icing sugar, and an unobtrusive jamminess on the nose. The flavorsome palate hits you with bright yellow fruits, then twists brilliantly to divulge deep orange and peeled plum skin balanced with gingerbread (*available in Lichtenstein, Germany, Switzerland, and online*) CHF 290

—Vol. 23, #2
