

**Spirit of Hven Seven
Stars No. 1 Dubhe**

45%

In the Straits of Øresund, between Denmark and Sweden, sits the beautiful island of Hven. This is the first in a series of seven whiskies to mark the brightest stars of the Big Dipper asterism. Candied peel, walnut shells, warm marmalade, vanilla pods, and haylofts intermingle before Red Delicious apples shoulder in. It's a lively, youthful dram of baked orange, milk chocolate, and vanilla tablet with a touch of pear. Best neat, as water subtracts from the experience. €90
