

Bowmore 16 year old 
1989 vintage

51.8%

No frills here, just pure, unadulterated Bowmore. This Islay whisky speaks of its location in a very pure and natural way. I find invigorating brine, seaweed, green olive, and fishnets, along with the classic Bowmore peat smoke. All these flavors are softened by gentle vanilla and honeyed malt, while background tropical fruit add complexity.
