

Master of Malt
Darkness! Macallan 15
year old PX Cask-
Finished

52.3%

The Darkness! series involves finishing in specially-made octave (50-liter) casks. This has positive Macallan character with some oil (putty even) and touches of malt and turned earth, but also a scented, cognac-like fruitiness with added spice. Water adds a little sherried cheesiness. The palate shows some nutty, oxidized flavors to begin with, but then in the middle the PX flumps onto the tongue, slowing and dampening the drive. Pleasant enough though.
