

**Lp5 Elements of Islay  
(distilled at Laphroaig)**

**52.4%**

Bold, with smoked fish (Arbroath smokies), dried fruits. Has requisite density of character with classic notes of freshly-laid tarmac and medicine. A lemon edge adds some lift. The complexity continues on the tongue, which is very juicy; vanilla-accented but with plenty of seaweed-like smoke that shifts into licorice. Long, balanced, and thick in the center, with some (smoked) dried thyme on the finish. £70/500 ml
