Matured in cognac before being finished in Sauternes; here we have a clean, sweet, and well-rounded Bunna', with hickory-like smoke, bonfire, and ginger biscuits. Lightly vegetal notes with farmyard elements among the smoke and thick, citric sweetness. Immediate smoke on top of this mix of spice, Seville orange, apricot, cheesecake base, hazelnut, red fruits, and preserved ginger in syrup adding an almost peppery finish. Lovely. £250
