

**Kilchoman 100% Islay**   
**4th Edition**

**59%**

A distillate of Islay-grown barley, made in 2009-10 and aged in bourbon wood. Here's an intense Kilchoman with a licorice root sweetness mixed with dried seaweed, *machair* (beach pasture), cereal, and herbal smoke. The palate is slightly oily and hot when neat, with a distinct mineral edge. Water shows its youth but also allows tarragon and wormwood to develop. £64
