

Carn Mor (distilled at Ben Nevis) 1997

46%

This single cask 17 year old expression of Ben Nevis was matured in a sherry butt which yielded 747 bottles. It appears in Carn Mor's "Strictly Limited" series of releases and has not been chill filtered. The bold nose opens with slightly savory notes and hard-boiled eggs. Sherry, malt, and figs subsequently develop. Quite full-bodied, with rich Jaffa orange and developing plain chocolate on the palate. More dark chocolate and a suggestion of fennel in the medium-length finish. £55
