

Tomatin 1988 Vintage 
46%

This vintage expression from Tomatin has been matured in a mix of bourbon and port casks, and is being released in batches. The first comprises 2,500 bottles.

The soft, fragrant nose offers strawberries, apricots, honey, and caramel, with a final hint of dry port. Fruit and caramel notes carry over from the nose onto the palate before dark chocolate appears, along with a suggestion of smoke.

Subtle oak and ginger in the lengthy finish.
