

Bowmore 15 year old Darkest 

43%

Darkest now has an age statement of 15 years old. This new release is an improvement from the original

Darkest, both of which are succulently sherried. It is fuller in flavor and more visceral, in both the nose and palate. These differences are subtle, but positive. Notes of lush fruit, raisin, pot-still rum, and Heath bars. Citrus and wood spices emerge, along with burning peat embers that linger on the finish. Nicely done.
