

Exclusive Malts 1991 (distilled at Glencadam)

50.4%

A 22 year old Glencadam; maturation took place in a refill American oak hogshead. The nose offers rich honey and malt notes, though slightly balsamic. Syrup-like on the palate, heathery and spicy, with more honey. Relatively long and spicy in the finish, with chili, though honey persists right to the end. *(U.S. only)*
